

Hot Lunch Program

Aramark Food Service will operate our hot lunch program for the 2023-2024 school year. Hot lunch is served each day the entire school (3K through 8th grade) has a full school day.

The cost per lunch for all grades, 3K-8, is \$3.75.

This includes one choice of 2 entrées, fruit and vegetable choices, and a milk.

The hot lunch menus will be sent home and will also be available on our school website.

We will be using an online payment platform from EZ School Apps—we have already created an online lunch/milk account for each student in your family.

You are able to log into your account to be able to put money into each of your children's lunch/milk accounts by paying with a credit card (a small convenience fee is added) at any time.

Parents who prefer not to use a credit card can bring cash or a check to the school office, and those funds will be added to your children's lunch/milk accounts.

Parents may bring money to the school office at any time.

If money is brought to the school office by a student, please send a note to specify the amount(s) going towards each individual child.

Checks should be made payable to "St. Peter Lutheran School."

Teachers will take the hot lunch count from the students every morning.
