GOD'S WORD FOR THE WEEK – *The Lord is not slow in keeping his promise, as some understand slowness. Instead, he is patient with you, not wanting anyone to perish, but everyone to come to repentance (2 Peter 3:9)*

THANK YOU – On behalf of all the teachers and staff at St. Peter Lutheran School, thank you so much for the gifts and time volunteering last week for teacher appreciation week. You all make St. Peter and 922 a very special place to be. Thank you also to Comet Club and all the volunteers who coordinated a variety of things during the week!

CALL NEWS – We are happy to share that Mr. Pfarr has returned his call to St. Paul's in Rapid City, SD. Please keep the Ninmanns and Miss Jahns in your prayers as they deliberate calls, and reach out to them to share any thoughts you have.

5K-4TH GRADE TRACK MEET – Save the date of Thursday, May 16, from 12:30-3:00 p.m. More information will be coming on how to help out. The meet takes place at St. Peter.

KIDS SUMMER SUNDAYS – Join us for a brand new program at 922 Ministries, Kids Summer Sundays! In partnership with Camp Phillip (a Christian summer camp in Wautoma, WI), Kids Summer Sundays will incorporate bible teachings and camp-inspired activities to give children a fun, safe environment to grow in their faith each week. This program will take place every Sunday from June 2 through August 11 during the 9:00 AM worship service at our St. Peter campus. For more details and to register, [click here](#).

LIBRARY LAST DAY – The last official day that books can be checked out from the school library will be Friday, May 10. During the last two weeks of school, the return bins will be out so library books can be returned.

SOLID GROUND "RAISE" PARENTING DEVOTIONS – As a St. Peter staff, we want to encourage you and your family not only at school but at home. We know that God has created your home and you as parents as the greatest gifts your children need, next only to Jesus. We hope you can be blessed by devotions that are shared each week which come with practical gospel driven parenting tips. Be sure to check out [this new resource](#) and those tips at the end. A new devotional and resource will be shared each week which is part of a 40-day series released throughout the school year. Let us know how else we can serve your family!

TUITION ASSISTANCE – St. Peter Lutheran Church and School is pleased to be able to offer tuition assistance to *members of 922 Ministries* who have children in *grades 5K-8*. We have contracted with FACTS to manage our financial aid applications. FACTS is a third-party organization that works with schools across the country to help evaluate family financial needs, allowing schools to award aid with confidence. Security and confidentiality are two major things that FACTS gives us. We want to keep your family's information safe, while offering assistance to as many families as possible based on demonstrated need. Families can apply online for financial aid from **March 1 through April 30**. To access the online application, go to <https://www.stpetersschool922.com/financial-aid>. Families will be notified in June regarding financial aid awards. If you have any questions about the process or awards, contact Principal Justin Danell with questions.

HEALTH AND WELLNESS – It is important that healthy students attend school, and students who are not feeling well stay home. Children must be fever free for **24 hours** without any fever-reducing medication, and students who experience diarrhea or vomiting may not return to school until it has been **48 hours** since the last episode. Additionally, families who seek the advice of a medical professional should follow that advice.
