TUITION ASSISTANCE – St. Peter Lutheran Church and School is pleased to be able to offer tuition assistance to *members of 922 Ministries* who have children in *grades 5K-8*. We have contracted with FACTS to manage our financial aid applications. FACTS is a third-party organization that works with schools across the country to help evaluate family financial needs, allowing schools to award aid with confidence. Security and confidentiality are two major things that FACTS gives us. We want to keep your family's information safe, while offering assistance to as many families as possible based on demonstrated need. Families can apply online for financial aid from **March 1 through April 30**. To access the online application, go to <https://www.stpeterschool922.com/financial-aid>. Families will be notified in June regarding financial aid awards. If you have any questions about the process or awards, contact Principal Justin Danell with questions.

HEALTH AND WELLNESS – It is important that healthy students attend school, and students who are not feeling well stay home. Children must be fever free for **24 hours** without any fever-reducing medication, and students who experience diarrhea or vomiting may not return to school until it has been **48 hours** since the last episode.
